Virginia,

We want this painted out. It was created by a Franklin High School student as part of an arts project our office created and managed.

Thank you.

The above SR is reporting graffiti on a TCB at 113 N. Ave 58, our TCB database shows an approved mural on this TCB. We have canceled this request and are referring it to you to contact the artist to repair, if you are unable to contact the artist or they do not wish to repair mural, please refer this back to me, I will instruct our contractors to paint it out completely. Thank you and have a pleasant day.
